

# 2022 Tree Price Guide & Farm Map

## FINDING YOUR PERFECT TREE

- 1 Choose your tree, tag it securely on a bottom branch & cut it down as close to the ground as possible. (DO NOT tear off any part of tag stub.)
- 2 Take tree to a tractor lane for hayride transport back to the barn for processing. We'll measure, shake & bale it.
- 3 Arrive back at the barn and claim your measured tree tag stub.
- 4 Take stub WITH measurement and tree type to any cashier station.

### TREE CLAIM

- 5 Present receipt & stub at tree pick-up areas inside barns and take your tree home!

\*DRIVER'S RESPONSIBILITY TO SAFELY SECURE TREE

### TREE TIE-ON

OR

Please pull vehicle to loading zone **first** & present receipt with stub. Twine & assistance provided.

- 6 Immediately place base of tree in water when you arrive home. Enjoy your real Christmas tree!

## Helpful Tips

- Every tree has natural character!
- Do not give trees haircuts or alter shape until you get home. You might need it!
- Remember your ceiling height.
- Tree stands must have a water reservoir--check water daily!
