

# 2024 Tree Price Guide & Farm Map

## FINDING YOUR PERFECT TREE

- 1 Choose your tree, tag it securely on a bottom branch & cut it down as close to the ground as possible. (DO NOT tear off any part of tag stub.)
  - 2 Take tree to a tractor lane for hayride transport back to the barn for processing. We'll measure, shake & bale it.
  - 3 Arrive back at the barn and claim your measured tree tag stub.
  - 4 Take stub WITH measurement and tree type to any cashier station.  
  
Tree claim/Tree Tie-On
  - 5 Please bring your vehicle in tree loading zone in front of barns and present receipt/tree stub. We will assist in tree pick-up and loading. {Please help us by checking that your tree tag stub matches the number that is printed on the tree tag attached to your tree}
- \*DRIVER'S RESPONSIBILITY TO SAFELY SECURE TREE**
- 6 Immediately place base of tree in water when you arrive home. Enjoy your real Christmas tree!

### Helpful Tips

- Every tree has natural character!
- Do not give trees haircuts or alter shape until you get home. You might need it!
- Remember your ceiling height.
- Tree stands must have a water reservoir--check water daily!
